Be safe in storms

By SHIRLEY W. WALTON
Extension Agent

Good News For Homemakers

During the late spring and summertime, we experience thunderstorms as a natural part of our environment. I wish to share with you some precautions that should be taken for your family's safety.

1. Don't ride a bicycle.
2. Don't stand or seek shelter under tall or isolated trees.
3. Don't continue to play golf. Leave the clubs and don't attempt to carry them across the golf course during a storm.
4. Don't stand up straight and walk in the open. You should crouch down, but do not lie flat on the ground.
5. Don't swim or continue to fish. Get out of small brooks or streams as quickly as possible.
6. Stop mowing the lawn in a storm.
